

PURCHASING PRODUCTS FROM AUTHORIZED DENON DEALERS

TO OUR VALUED CONSUMERS:

For a list of authorized [online dealers](#), please go to our website. Purchases of Denon product should be made from our authorized sites as they receive "factory fresh" product directly from us as well as training and other support so we can ensure the integrity of the product and their knowledge of the product's performance. We cannot ensure such an experience at other sites and, if the product is altered in any way, it will void the warranty. Products purchased from an unauthorized dealers do not qualify for warranty coverage. To view our complete warranty please choose [New](#) or [Refurbished](#) product. To check to see if your dealer is an authorized dealer [click here](#) or if in doubt, call DENON Electronics at (201) 762-6665.
